

What a day! If you were listening to WLS on your way to work, you probably noticed I was co-hosting the Don Wade and Roma show from 5-9 to promote the “Phone Calls for Fathers Day” project. As part of the project, I am working with SBC, AT&T and Highcrest Middle School in Wilmette to deliver hundreds of phone cards to soldiers in Iraq in time for them to call their loved ones on Fathers Day. After the show, I visited Highcrest to kick-off a 36-hour phone card collection drive and thank the students for their hard work.
